European Center for Constitutional and Human Rights	https://www.echr.eu/en/our-work/education-program/legal-training-program.html	<p>The Legal Training Program of the European Center for Constitutional Rights offers participants a unique platform for the theory and practice of international human rights law. We aim to develop and further a well-founded and critical analysis of the most pressing contemporary issues of law and society.</p> <p>Our core aim is to further social justice by enforcing human rights and in doing so to find creative ways to push legal boundaries. This idea is also at the heart of our work in training the next generation of human rights defenders.</p> <p>The Legal Training Program is a hub for up-and-coming human rights defenders from all over the world. Participants are involved in the daily work of the organization within its key program areas and receive a practical training in strategic legal intervention. They also have the chance to take part in a range of educational and cultural activities as part of the Education Program.</p>	Three months – or longer, where the education regulations allow	Application link is on website, rolling basis and currently accepting for May or later Response in 4-5 weeks
